

## **DAVE & DARLYS BIRD**

*Jacmel, Haiti*

*Dave and Darlys Bird have spent many years in obedience to the Lord. He has called them several times to areas of destruction. Each time they have been quick to respond and show the love of Christ to a hurting people. Currently, they are serving as directors for the field operations of the Calvary Chapel Haiti Initiative, a coordinated ministry of multiple Calvary Chapels focusing on Southern Haiti. Calvary Chapel is working with a number of local churches and NGO operations to bring volunteer teams for evangelism, education, re-construction and medical needs. While in Haiti, Dave and Daryls hope to bring God's love, grace and mercy to those who may otherwise have no hope.*
