PRAYER REQUESTS

- *Pray for strength for Rusty as he is now teaching every night of the week. The gambling ministry takes a lot of extra time in counseling and suicide prevention.*
- *Pray for Assistant Pastor Robert Wong, as he is undergoing treatment for Hepatitis C. He is now into the 4th month. He gets weaker with each dose. He has almost completely dropped his work duties at Horizon. This puts an extra workload on Rusty.*
- *Pray for our children's education. Rachel needs help with her Math and Heather needs help in Math, English and Chinese.*
- *Continue to pray for Kitty to have strength and wisdom to raise our kids and minister to the children at church.*
