

**JOE & CHRISTINE
CAREY**
California

The Lord has given Joe and Christine a heart for the Muslim people. They are currently involved in equipping Christians to work among Muslims, providing them with the tools to, not only defend their faith, but protect them from the deception of Islam. They are assembling an audio and video curriculum on CD and DVD to be used to train Christians worldwide how to evangelize to Muslims. Joe also serves as a guest speaker and outreach trainer for Arabic Christian Perspective. At times, the Careys travel internationally to train missionaries to reach Muslims in other nations.

Their daughter Ashley is homeschooled. As a family, they enjoy skiing in the winter and camping in the summer. A favorite family verse is Joshua 24:15: "and as for me and my house, we will serve the Lord."
