

EDMUND & MARTHA CORONEL

Herborn, Germany

Martha and I have been in Germany for 6 years and have been blessed in the work here in Herborn. We are happy to have our son Edmund Jr. and wife Anne here with us with our three grandkids Karis and Ezekial Kaleb. I'm currently teaching in the book of Genesis on Wednesday nights and will start 1-Thess on Sundays. Being out on the mission field, I really don't have time for any hobbies, but when and if possible, Martha and I travel around Germany and see historic sights. John 1:1 is my favorite verse because as you think about the verse, there is a depth in it that brings hope and joy when you think of what the Word did for us. It is He, that was in the beginning, if He was there then, we are able to trust Him now. It was Jesus, the Word of God, who came in the flesh and died for our sins. He came to revive our fellowship with the God who loves and created us.

WORLD MISSIONS

EXODUS 34:10

**EDMUND & MARTHA
CORONEL**

Herborn, Germany

PRAAYER REQUESTS

- *That Martha and I would be able to raise up leaders that aspire to be in the ministry and would be able to encourage nationals to step out in faith to the call of God.*
- *That the German saints that are coming here now will grow and let the pain of the past go. Many are hurt from the old churches that abused or never loved or taught them God's Word.*
- *That we as a couple will learn to take time away for each other and find those little get away places to be refreshed and get fresh vision.*
- *That as we get larger and demands grow, we learn how to balance the ministry and our personal walks with the Lord. That the Lord would raise up men and women to serve.*
- *That Martha and I would be able to remember the things being taught to us in our German language classes and that this year we will learn it!*
- *That what the Lord has done here will continue and we will see the doors the Lord has opened and go in full of faith, without hesitation.*
- *That we would get our building done and the Lord would send the workers to do the work that is needed.*
