

Who am I, Lord?  
and what is my house,  
that you have  
brought me this far?

## CHRISTIAN & MELANIE KLEINLOH

*Heidelberg, Germany*

*We are totally blessed by being allowed to serve the Lord here in this place. Heidelberg is one of the most beautiful cities in Germany and the Lord has blessed us with a wonderful group of people. The church is mainly made up of students. There are over 60.000 students in Heidelberg. Slowly the Lord is bringing us more and more families. We need them to help stabilize the younger men and women in our fellowship. The main challenges we face here are the need for good biblical counseling and to make sure we offer a place where the flock can feel at home. Our emphasis besides the clear teaching of the Word of God, is to create an environment where Christians can grow into strong students of the Word, as most of them move on after three or four years when their studies are finished. We see the Lord leading us to attain that goal by letting the individual find his place within the body and supporting him with godly leadership. We define leadership as Oswald Sanders: "Leadership is building serving relationships that have the effect to grow personal and spiritual maturity."*

## PRAYER REQUESTS

- *For wisdom with counseling of all the broken people that the Lord brings to us; those hurt by other churches or who are mentally and psychologically ill.*
- *For the ability to see the Lord's leading and to follow with the strength, love and passion He has placed in our hearts, not relying on our own.*
- *The wisdom to see leadership potential and place those people in the gaps the Lord has prepared.*
- *The wisdom to train the leaders the Lord has placed around us already!*
- *For the discernment about the offers to teach and minister at other churches. Wisdom to see what is of the Lord and what is not.*
- *That we might faithfully keep our free day holy for the Lord and for our family.*
- *Thanks so much for all your prayers.*
