

RONN & LAURY REMAI

San Jose del Cabo, Mexico

*Laury and I have lived here for five years. We are both graduates of the Teen Challenge Christian Life School for substance abusers. We have both been called into ministry. I just finished teaching a study on God's Word, Jesus Christ. We have several favorite scriptures, but here are two, Num. 23:19, Is. 26:3. Our son Adam was born here, in Mexico and our other children live in the U.S. They come to visit us whenever possible. I do have another son named Tanner. He was born 7/12/80. We are very blessed by what God has done in our lives. We hope to impact the lives of others through Jesus Christ, the time is short.
Maranatha!*
