SCHATZINGER**
Mansfield, Ohio

Janice and I will be married 25 years this coming October. We have 3 children: Justin who is 20, attends the Calvary Chapel Bible College in Murrieta and loves music; Ashley is almost 18 and plans to attend the Bible College also, she loves music and photography; Jared is 13 and loves sports, robotics, and paint ball. We have home schooled all 3 of our children. At CC Mansfield, we are currently going through the books of Galatians (Sundays), and Exodus (Wednesday). CC Mansfield is fast becoming a "hospital" to the sick, weary, broken-hearted, and outcasts of our local cities. We praise God for the good work He has established and continues to sustain.
