How are flowers and moms alike? The Lord calls both of them to bloom! His desire is that every mom would flourish in her marriage and family life, to go beyond just surviving to truly thriving. He wants them to bloom…to build a legacy out of motherhood. As moms, we have a powerful opportunity to make an eternal difference in the lives of those closest to us by daily infusing biblical principles into our home. Building a godly legacy starts with a relationship with Jesus that is growing and then is practically lived out so that our lives, homes, church, and culture reflect God’s glory for decades to come. Ladies, it’s never too early or too late to begin building a model of godliness that our families will choose to embrace for generations.

Discussion topics will include:

- Developing your walk with the Lord
- Keeping your marriage alive
- Real life parenting
- Becoming a keeper of your home
