JAY & JUDY SMITH

† PENNSYLVANIA, UNITED STATES

After working with Muslims in London since 1992, the Smiths have returned to the United States to continue reaching Muslims with the truth of the Gospel. Jay has teamed up with i2 Ministries planning to visit every country with a sizable Muslim population to introduce new research, debate Muslim scholars, and train up others to do the same. The goal is to equip Christians who understand the language and already have relationships with local Muslims in these countries to teach Jay's material which includes new research regarding Muhammad and the Qur'an. Jay's knowledge and expertise in Christian/Muslim apologetics and polemics are being taught around the world in churches, seminaries, and Bible schools enabling Christians to engage with their Muslim friends and neighbors for Christ (see: Pfanderfilms on YouTube for more information).
