## JONATHAN MESTAS

† NATIONAL SCHOOL PROJECT

I am with the National School Project. Our vision is to see an awakening to the love of Jesus take place on public school campuses throughout America. Because the young generation faces pain, confusion, brokenness, and violence, they are in need of the real hope of Jesus more than ever before. The mission of the National School Project is to disciple and empower Christian Club leaders to impact their campuses with the love of Jesus. We educate these student leaders of the legality of sharing their faith in schools. I serve San Bernardino and Riverside Counties, as the Lord opens doors, mobilizing Christian students to impact their community with the Gospel of Christ.
